NEURODIVERSITY CELEBRATION WEEK 2025 17th March

In assembly this week, we have been talking about neurodiversity celebration week. This is an opportunity to celebrate the unique strengths and differences of people who think and learn differently, for example, Autism, ADHD, Dyslexia, Dyscalculia and Tourette's Syndrome. It is about recognising hard work and determination. We remind the children of the importance of being kind and accepting of everyone.
