

Governor Updates

A big Thank you

On behalf of all of the Governors, I would like to say a massive thank you to the PTA for the recent Fairway Five run that they arrange, it raised an enormous £2000 for the school and was unique in that it required no financial contribution from the parents. It was so successful that it has already been arranged for next year, if you would like to take part in the run, please go to <https://fairway.nifyentries.com/The-Fairway-Five-Trail-Race>. A special thanks goes to Dave Cracknell for his meticulous attention to detail, which included, regularly running the route to ensure it was accessible, cutting down and clearing debris, working with the council and the police and carrying out rigorous risk assessments to ensure everyone's safety.

New Governor

We recently wrote out to you all asking for Parent Governor Volunteers, we are delighted to announce that Andy Lochtie has been successful and has joined our board with immediate effect. For a full list of all of the Governors and their roles, please visit the school website.

Traffic Situation

I am sure all of you have noticed the increase of traffic since the opening of the new Lisburne Lane School In October. We believe that because the schools have worked closely together the impact on all has been minimal and I would like to send a massive thank you to all of the teaching staff across Castle Hill, Lisburne and Fairway schools for ensuring the effective management of the traffic each day. Can we please remind you that these volunteers are teaching staff and abuse of any kind will not be tolerated.

We are aware of a few outstanding actions that the council intend to take, which includes speed signage on the back path that links The Fairway to Curzon Road, along with a Give Way sign at the gates leading onto Curzon Road to ensure that vehicles give way to pedestrians. Please note that any traffic concerns you have cannot be dealt with by the school. Instead take note of the type of vehicle, their registration plate and please follow the link to report the incident to the police. <https://www.gmp.police.uk/ro/report/rti/rti-beta-2.1/report-a-road-traffic-incident>
