### *Year 1 Class Assembly!*

Our Year 1 shined this week in their class assembly, confidently showcasing the incredible journey of learning they've been on since September. The hall was filled with colour as they displayed their artwork influenced by the pointillism techniques of Georges Seurat, alongside an impressive Design Technology projects featuring moving levers. It was also wonderful to see the "textile creatures" they created, a project made even more special by the helping hands of Year 4 . From diving into a mountain of books to mastering new challenges in maths, it is clear that Year 1 is having an amazing time so far.

### *A Heartfelt Thank You!*
