## *Champions on the Court: Handball Victory!*

What a day for our handball stars! This week, our team showcased incredible skill, stamina, and heart as they competed in a high-stakes tournament against four other local schools.

The journey to the trophy was anything but easy, but our players proved they have the grit to handle the pressure. The tournament kicked off with a round-robin stage. Facing off against four different schools, our team played with consistency and flair. We secured three fantastic wins out of four matches, suffering only one narrow defeat. We were through to the Semi-Final and we faced St Thomas Heaton Chapel. It was a fast-paced, physical game that tested our defence. However, our team kept their composure, pulling away to finish with a decisive 8–5 victory.

The Final was a nail-biting finish against St Thomas' Heaton Moor. It was, quite simply, a classic. It was a back-and-forth battle where neither side was willing to back down. With the score locked and the clock ticking away, the tension was palpable. In a stunning last-minute play, we managed to clinch the winning goal, ending the match 10–9.

A Huge Well Done to the entire team for their grit, determination and dedication. Harper, Oliver, Albert, Max H, Emmelinn, Sam and Thomas you played off the scale and after such a competitive morning you brought home the winning trophy!!!!

## *Leading the Conversation: Youth Climate Assembly*

This week, our school's debate team took their passion for the planet to the historic Council Chambers at Stockport Town Hall. Participating in the Youth Climate Assembly, our children stood where local leaders make key decisions, ready to advocate for a greener future.

The atmosphere was charged with excitement as the children prepared to pitch our proposal: "Walk or Scoot to School Wednesdays." In a move that would rattle even the most seasoned public speakers, our team was chosen to go first. Stepping up to the microphones in the grand chambers was a daunting task, but our children were absolute stars. They spoke with incredible clarity and confidence, effectively setting the bar for the rest of the morning.

We were one of five schools invited to present. Following our pitch, the floor was opened for a full assembly debate. It was inspiring to watch our team defending their ideas against tough questions from peers, engaging respectfully with opposing viewpoints and representing our school values with poise and professionalism.

While the assembly ultimately voted for another proposal to be formally put forward to the Stockport Council, the morning was an undeniable success for our team.

Winning isn't always about the final vote; it's about having a seat at the table and the courage to speak up. A huge well done to Annabel, Lottie and Noah who proved themselves to be thoughtful, articulate citizens of the future. A huge well done to our "Climate Stars" for representing us so brilliantly!.
