

Summer 2 Spelling Homework Grid Year 2

Dear parents/carers,

Please help your child to learn the following spellings over the next half term. We have spelling tests Thursday's throughout the weeks listed below. Your child's marked test will be returned to you on a piece of paper each week.

Spelling is a skill which needs practise – little and often is the key. Encourage your child to learn how to spell a word by writing it down. Copy the new word and say it out loud, look at it carefully, cover the word, write it once, check with the first word and repeat (SAY, LOOK, COVER, WRITE, CHECK). Encourage your child to say a sentence containing the new word to check that they understand its meaning.

When learning the National Curriculum spellings, we recommend counting the letters in the words, splitting the words into syllables, or looking for words within the words. Everybody – every - body When learning spellings with spelling patterns, spot the part that is all the same, say where the location of that part is, then just focus on learning the rest of the letters.
